American degrees, 244
——— Journal of the Medical Sciences (review), 257
——— Medical Times (review), 581
Amylic alcohol, the true normal, 445
Anæmic murmurs, 634
Anæsthetic discovery, the history of, 16
ANALYTICAL RECORDS.—Missisquoi water and spring, 639—Newnham's condensed milk, ib.—Mudie's disinfectant, ib.—John Gillon and Co.'s lime-juice, &c., ib.
Anderson, Dr. D. H. B., fibrous tumour of the upper arm removed by operation, 212
———, Dr. J., treatment of scarlatina, 207
———, Dr. T., obituary notice of, 691
Andrews, Mr. A., notes of a case of strangulated inguinal hernia in a boy of nine months, 330
Aneurism, intra-thoracic, the treatment of, by the distal ligature, 11; popliteal, a case of, which resisted for three months' compression by instrument, weight, finger, and flexion, cured by ligature of superficial femoral, 253; by anastomosis, and the surgical means by which a cure was effected, 430; double popliteal, cured by compression, 469; of the aorta, 607, 676; of a branch of the pulmonary artery contained in a tuberculous cavity in the lung, fatal case of, 706; popliteal, incision of the sac, and ligature of the artery, 740
Aneurisms in the vessels of both lower extremities, 810
Anglo-American ambulance, the, 586
Animals, diseases among, 471, 520, 550, 632, 761, 821, 895
Ankle-joint, compound dislocation of the, 493
Annus medicus 1870, 922
"Another way of looking at it," 142
Anstie, Dr. F. E., the deputation on disease registration, 587
Antiseptic, a new, 305, 354; system of treatment, 411, 613, 703, 720, 845; further evidence regarding the effects of the, upon the salubrity of a surgical hospital, 287
Anti-vaccination orators, 491
Aphasia, on, 429, 463; consequent on fright, 402
Apothecaries' Hall, pass-lists of, 32, 68, 104, 140, 170, 204, 241, 280, 316, 352, 420, 454, 489, 523, 555, 589, 620, 655, 692, 728, 766, 801, 837, 874, 911; regulations of, 375;—of Ireland, 204; regulations of, 376
Army, drunkenness in the, 281; hospital service, committee on, 198; medical reserve, 604; medical service, 36, 52, 69, 95, 105, 143, 206, 267, 440, 583, 830, 841; and the unification scheme, 173; regulations of, 376; midwives, training of, 59
Arnica, tincture of, on the value of, in the treatment of acute pulmonary affections, 865
Arsenite of copper on wall-paper, case of poisoning by, 356
Arteritis, case of, 816
Artisans and labourers' dwellings, 105
Ascaris lumbricoides, plurality of, in an adult, 806
Ascites, tapping for, 215; successfully treated by oil of copaiba, 853; and pelvic hæmatocele simulating ovarian dropsy, recovery, 742
Ash, Mr. V., the rationale of skin-grafting, 914
Ashton, Mr. T. J., Prolapsus &c. of the Rectum (review), 88
Asphalte pavement, 307
Asphyxia caused by falling down in the street mud while in a fit, 83
Association of Certifying Medical Officers, 901
——— of Medical Officers of Health, 550, 574
Asylum attendants, 239
Atkinson, Mr. E., introductory lecture by, 540
Atmospheric air on wounds, influence of, 318, 423
Auscultation, on sources of error in, 183
Australia, as a resort for the phthisical, 447; a coroner's inquest in, 525; or New Zealand for phthisical patients, 622
Australian climate, the, and lung diseases, 70
Autopsy, interesting, 258
Aveling, Dr., on curving the handles of midwifery forceps, 238
Ayrshire Medical Association, 921

Baby-farming, 27, 98, 127, 479
Baby-starving, the diagnosis of, 308
Bacot, Mr. J., obituary notice of, 420
Bader, Mr. C., introductory address at Guy's, 499
Bain's and Pacini's method of restoring suspended animation, report of the committee appointed to investigate, 120
Baker, Dr. R., Egypt for invalids, 457
Balbirnie, Dr. J., the local application of sulphuric acid in the treatment of carious bone, 71
Balding, Mr. C. C., on the value of tincture of arnica in the acute pulmonary affections, 865
Banks, Dr. J. T., sudden death of, 242
Barber surgery and herbal medicine, 346
Barclay's Medical Diagnosis (review), 673
Barlow, Dr. W. H., skin-grafting, 695
Barnes, Mr. H., Hospital Sunday, 70
Barrett, Mr. A. E., puerperal convulsions without chloral hydrate, 138; small-pox and vaccination, 168; medical etiquette and sanitary laws, 770, 841
Barsham, the trial for murder at, 288, 350, 353
Barter, Mr. R., obituary notice of, 523
Barwell, Mr. R., the Causes and Treatment of Lateral Curvature of the Spine (review), 802
Basham, Dr. W. R., pocket cases for clinical use in renal diseases, 142
Bastian, Dr. H. C., the origin of life, 101
Bath in the house, the, 753
Baths of Bath, the, 70
—— in London hospitals, 33
Battle of the 18th August, the, 469
Battle-field, a sanitary detachment on the, 481; the first dressing on the, 517
Battles, casualties in, 193
Bäumler, Dr. C., some remarks on the treatment of cases with excessively high temperature by the external application of cold, 181
Bed for invalids, a, 912
